

LAKELANDS NEWS

A message from The Headteacher

It is nice to be writing this with some warmth and sunshine in the air rather than the cold, dark and wet winter. As the weather improves, it is great to be able to report on the many improvements that have been recognised within our most recent stakeholder voice surveys. In particular, the following have all seen improvements in the parent/carers survey; effective and timely communication, concerns that have been raised are dealt with properly, children are appropriately challenged by learning, regular opportunities for SEND related communication, school valuing everyone equally whilst teaching pupils that difference is positive.

As well as comparing survey responses to previous internal surveys, we also benchmark your responses against national data to help provide context. I am delighted that responses to our survey are more positive than national benchmarks in eleven of the fourteen comparable questions. Of the remaining two, one is equal and two are below. One of these is only 3% lower and this relates to us having a good range of subjects to choose from. As a smaller than average secondary school this is difficult to address but we are committed to regularly reviewing our offer in an attempt to increase and improve it. The other question that did not compare so favourably related to participation in clubs and activities. This will definitely become an area that we actively try to improve in the coming months.

In the student survey, there was a notable improvement in our young people feeling that lessons were helping them to progress in their learning although they did say that they don't always feel rewarded for their efforts. Staff have given out almost 500,000 reward points so far this academic year at an average of over 860 per student but perhaps they are referring to more tangible rewards. They certainly seem to be motivated by the 'golden ticket' fortnights and we will continue to work on what they would most value as we move forward.

Although there has been a consistent improvement in satisfaction with our communication and a significantly more positive response than achieved nationally, we are still committed to further improvements and continue to listen to individual and collective feedback. As a result, we have started to make staff email addresses available so that you are able to contact form tutors, year leaders, faculty/subject leaders and senior leaders directly rather than having to make contact via the administration email. These addresses will be added to our website over the coming weeks and will be available via <https://www.lakelandsacademy.org.uk/contact-us/key-contacts>.

We have also used stakeholder voice to update our [Behaviour-for-Learning-and-Relationships-Policy.pdf](#). The views and comments of yourselves, your children (including surveys, discussions and Student Senate) and our staff have all been taken into consideration when undertaking this review.

I would like to thank those of you who have already responded to the Microsoft Forms survey regarding our school vision statements that we sent out earlier this week. It has been a while since we last reviewed these and we are keen to benefit from the views of all stakeholders in terms of what each think are important and whether what we are proposing aligns with and reflects what you want for your children. The survey remains open throughout the Easter holidays so if you haven't yet had chance to share your views with us, you have until 9.00pm on Sunday 27th April. Alongside your views, we are also engaging with your children, our staff and our governors.

By the time you read this, you will also have received a joint letter from myself and our chair and vice-chair of governors inviting you to the parent/carer consultation regarding our consideration of joining a multi-academy trust. As a reminder, this is taking place at 5.00pm on Tuesday 29th April. A dedicated email address (MATconsultation@lakelandsacademy.org.uk) has been set up for your questions and comments relating to this and handwritten submissions can also be made via our reception. I would like to thank you in advance for any input you may provide.

Looking back on the last half term, there have been many highlights – too many to mention in fact! However, I want to particularly mention Wear a Hat Day, Comic Relief, World Book Day, our visitors from Mississippi, the inspirational visit from local VE Day veterans, the post mock exam ice cream treat for Year 11, supporting the design of the proposed Ellesmere pump track, numerous sports fixtures, Safer Internet Day, and the Level 2 Youth Mental Health qualification completed by our Wellbeing Ambassadors. All of these have been shared on our social media as well as on our website (<https://www.lakelandsacademy.org.uk/>) which also has a calendar of upcoming events.

I wish you all a safe, enjoyable and productive Easter break. For our Year 11s this will no doubt include lots of revision and preparation for the GCSE exams and on behalf of the staff I would like to wish them all the very best of luck.

Sport News

The Year 9 girls were absolutely brilliant at the U14s North Shropshire Netball tournament. They finished second in their group against some very strong competition, only losing one game all afternoon, before progress-

Please congratulate the Year 7 and 8 girls who played netball at St. Martins Their attitude and enthusiasm were impeccable as always. Freya McArthur even led an impressive warm up prior to the start of play, preparing both teams for action. It clearly prepared them well as both teams came away with the win!

Some brilliant results from the Border Counties Gymnastics competition

In the senior elite teams, we were placed 2nd and 3rd overall.

In the senior elite individual gymnast medals, Miley Alderson (Year 10) placed 1st, Lea Coleman (Year 8) was 5th and Issy Mottram (Year 7) was 6th.

The overall senior elite gymnast winner was Miley Alderson!

The girls were absolutely brilliant. Please congratulate them when you see them.

Library News

The Rotary Club has provided a free book for all Year 7 pupils. The books will be given out in library lessons. The liaison with the Rotary will help to boost access to books for our pupils and hopefully, help to improve literacy too. The power of a good book can literally transport your world. Thank you to Jenni and her hus-

A huge thank you the Rotary club

On Thursday 10th April, Lakelands welcomed a group some of the older members of the community and representatives of the Royal British Legion to an inter generational event to record the memories of people who lived through WW2. Year 10 English, History and Media students listened with enthusiasm to the recounting of stories from the war and saw some fascinating memorabilia, including shrapnel, old photographs and even an original air raid ledger of Luftwaffe bombing raids over Portsmouth. The veterans were impressed with the engagement of the students and their attentiveness. BBC Shropshire were also on hand to record interviews with people involved so watch this space for when the interviews are broadcast as part of the national VE Day celebration.

VE Day is on 8th May

LAKELANDS PRE-LOVED CLOTHES SHOP

To make pre-loved school clothing available to our school community we have set up a school shop. All items available will be free of charge.

How it works!

- Families kindly donate any old, unused or unwanted school uniform they no longer require. If you would like to donate any school uniform please drop it in at reception. Please make sure all uniform has been cleaned and washed prior to donating and any name tags removed.
- Uniform can be ordered using the Microsoft Form below and can also be found on our school website. Please copy the link and paste into your browser.
- You will receive an email confirmation when your order is ready to be collected.
- Orders can be collected from reception by the Parent or the pupil. We ask that orders are collected as soon as possible and will only be held for 5 days.
- If the item is not in stock you will be added to a waiting list and contacted as soon as it becomes available.

Link to form - <https://forms.office.com/r/Z19NqNvuRg>

Reminder

Pupils must arrive at school on time in the mornings and be on site ready for the 8.55am bell.
