

Introducing Hollie Guard

The **Hollie Guard** platform is an safety service used for enhanced level of security & protection.

Key features:

- Captures live audio and video** when an alert is issued. If you're in a dangerous situation your emergency contacts will be notified.
- Discreet alert** allows you to make an alert discreetly. In any uncomfortable situation to receive a response from your emergency contacts.
- Journey** gives you the confidence to travel safely from point A to B. Or any time of day, making you an emergency contact of any journey you make.
- Hollie Guard Extra Services** allows a user to upgrade to Hollie Guard Pro which is a 24/7 police approved monitoring service.

Personal safety with you wherever you head.

Use the app to make it safer and stronger. Because it's better to be safe than sorry.
