

_ Sonny

#knifefree since 16.01.17

_ Carrying a knife almost cost Sonny his football ambitions. That's why he joined millions of young people living knife free.

A young Black woman with her hair in a high bun, wearing a grey long-sleeved top, black leggings, and grey sneakers, stands in a dance studio with her hands on her hips. In the background, other people are visible at a ballet barre.

_Aliya

#knifefree

_Aliya has experienced the devastating effects of knife carrying. This is why she lives knife free, just like millions of young people.
